NEW WESTMINSTER CITY BY-LAWS.

FRASER RIVER BRIDGE BY-LAW, 1894.

A By-law to raise, by way of debentures, the sum of \$400,000 to provide for a bridge across the Fraser River.

WHEREAS it is expedient to construct a bridge for combined railway, vehicle, and foot passenger highway traffic across the Fraser River, at the City of New Westminster:

And whereas the cost of the construction of such bridge is estimated at about \$400,000:

And whereas it is necessary for the purpose aforesaid to raise by way of debentures the sum of \$400,000, repayable on the 1st day of September, 1944, with interest in the meantime payable half-yearly at the rate of five per centum per annum, the amount of such loan when raised to be applied for such purpose:

And whereas for the payment of the said debentures it will be necessary to raise the sum of \$24,000 by special rate in each and every year for sinking fund and interest:

And whereas in order to raise the said yearly sum of \$24,000 an equal special rate on the dollar will be required to be levied on the whole ratable property of the City of New Westminster:

And whereas the whole ratable property of the City, according to the last revised assessment roll, is \$4,755,391:

And whereas the total amount of the existing debenture debt of the said City is \$935,000, of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. For the purpose of constructing the said bridge as aforesaid it shall be lawful for the Mayor of the City of New Westminster to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures hereinafter mentioned, any sum or sums not exceeding in the whole the sum of \$400,000, and cause the same to be paid into the treasury of the said City for the purpose hereinbefore recited.

2. It shall be lawful for the Mayor to cause any number of debentures to be made, not exceeding in the whole the sum of \$400,000, for such sums of money, not less than \$100 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland at a value of \$4.866 to the pound sterling, as may be required; and all such debentures shall be sealed with the seal of the Corporation of the City of New Westminster, signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorized. The said debentures shall be payable on the said 1st day of September, 1944, at such place or places as the Council of the said Corporation may from time to time appoint, with the approval of the holders thereof, and the debentures shall have coupons attached to them for the payment of interest at the rate of five per centum per annum on the amount thereof, half-yearly, on the first day of January and the first day of July in each and every year, and the said coupons shall be signed by the Mayor.

3. A special rate on the dollar shall be levied and raised in each year in addition to all other rates on all the ratable property of the City sufficient to pay the interest upon the debentures, and to create a sinking fund for the payment of the principal thereof when due, subject to any act or enactment respecting the same.

4. The debentures shall be secured by a first charge upon the said bridge and the approaches thereto, together with all revenues to arise or accrue therefrom, whether by way of tariff, rate, toll, fare, or otherwise howsoever, as well as upon the moneys payable to the City out of the consolidated revenue fund of the Province of British Columbia under any act of the said Province, as well as upon the ratable property of the City as aforesaid.

5. The debentures may be in such form and contain such provisions as the Council of the said Corporation may approve, not being inconsistent with this by-law or any act or enactment in that regard.

6. Subject as aforesaid, there shall be raised annually by special rate as aforesaid during the currency of the said debentures the sum of \$20,000 for the payment of interest thereon and the sum of \$4,000 to provide for the repayment of the principal.

7. It shall be lawful for the Corporation to purchase from time to time any of the said debentures at such price or prices as may be mutually agreed upon, and all debentures so re-purchased shall be forthwith cancelled, and no re-issue of any debenture or debentures so re-purchased shall be made in consequence of any such re-purchase.

8. This by-law shall take effect on the 1st day of September, 1894.

STREET IMPROVEMENT DEBENTURE BY-LAW, 1894.

A By-law to enable the Council of the Corporation of the City of New Westminster to raise by loan the sum of \$20,000 for street improvements.

WHEREAS certain sums of money have this year been expended out of the general revenue of the City for the construction, improvement and repair of certain streets and sidewalks, and it is expedient that certain additional sums be spent in like manner, amounting in all (with the sums already so spent) to the sum of \$20,000:

And whereas it appears that, if the said sum of \$20,000 be appropriated from the general revenue of the City for the current year, the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided and the said sum shall be raised on the credit of the Corporation, and that debentures should be issued for that amount:

And whereas, for the payment of interest on the debentures proposed to be issued under this by-law, and for creating a sinking fund for the payment of the said debentures when due, it will be necessary to raise by special rate, in addition to all other rates, each year during the currency of the said debentures, the sum of \$1,200:

And whereas, in order to raise the said yearly sum of \$1,200, an equal special rate on the dollar will be required to be levied on the whole ratable property of the City of New Westminster:

And whereas the whole ratable property of the said City, according to the last revised assessment roll thereof, is \$4,755,391:

And whereas the total amount of the existing debenture debt of the said City is \$935,000, of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. It shall be lawful for the Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures hereinafter mentioned, any sum or sums of money not exceeding in the whole the sum of \$20,000, and cause the same to be paid into the treasury of the said City for the purposes mentioned herein.

2. It shall be lawful for the Mayor to cause any number of debentures to be made, not exceeding in the whole the sum of \$20,000, for such sums of money as may be required, not less than \$100 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland at a value of \$4.866 to the pound sterling; and all such debentures shall be sealed with the seal of the said Corporation, signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorized.

3. The said debentures shall be payable on the first day of September, 1914, at such place or places as the Council of the said Corporation may from time to time appoint, with the approval of the holders thereof, and shall have attached to them coupons for the payment of interest at the rate of five per centum per annum on the amount thereof, which interest shall be payable half-yearly on the first day of January and the first day of July in each and every year, and the said coupons shall be signed by the said Mayor.

4. A special rate on the dollar shall be levied and raised in each year, in addition to all other rates, on

all the ratable property of the City, sufficient to pay the interest upon the debentures and to create a sinking fund for the payment of the principal thereof when due, subject to any act or enactment respecting the same.

5. Subject as aforesaid there shall be raised annually by special rate as aforesaid, during the currency of the said debentures, the sum of \$1,000 for the payment of interest thereon, and the sum of \$200 to provide for the repayment of the principal.

6. The proceeds of the sale of the said debentures shall be applied as follows, and not otherwise:—Towards paying the cost of the passing of this by-law and the issue and sale of the debentures therein referred to; recouping the treasury of the City such sums as have been this year expended in street works, or may be so expended until the proceeds of the sale of the said debentures have become available; the making, improving, and repairing of such streets and sidewalks in the City as may be deemed expedient by the Council, but no sidewalk or street shall be made or repaired out of the moneys borrowed under this by-law unless the same shall have been first approved by a resolution of the Council.

7. This by-law shall take effect on the first day of September, 1894, and may be cited as the "Street Improvement Debenture By-law, 1894."

8. This by-law, before the final passing thereof, shall receive the assent of the electors of the said City in the manner required by law.
